Christian Badorff, Vice President,

Moody's Investor Services

Christian is a Vice President - Senior Analyst in the EMEA Insurance Team based in Frankfurt, Germany, and is the lead analyst for various primary insurers and reinsurers in the Benelux countries, Germany, Italy, the Nordics and Switzerland.

Christian joined Moody's in 2019. Prior to joining Moody's, he was head of planning and performance management at Zurich Group Germany where he was in charge of planning, forecasting and reporting for the group's German life insurance operations. Before that, he was a director and lead analyst at S&P Global, covering insurers in EMEA with a focus on companies operating in German-speaking countries. He started his career at Assekurata, where he specialized in assessing the investment management of rated insurers in Germany. Christian holds a degree in Business Administration from University of Cologne.

Gaurav Ganguly, Chief Economist for EMEA and Head of the Climate Change Group

Moody's Analytics

Gaurav Ganguly is an expert on a number of international economies having spent several years analyzing and commenting on countries across Europe, Asia and the Americas. Gaurav has previously worked in financial services, consulting, and audit. He was a research fellow at the Grantham Institute for Climate Change at Imperial College in London, where he developed a framework for using climate scenarios within financial institutions. He has taught Economics at different Universities in the UK and obtained his Master's degree and his PhD from the University of Oxford.

Björn Hartong

Global Head of Marine Risk Engineering and Supply Chain, Zurich Resilience Solutions

Björn Hartong, a senior professional in protecting company assets with proven contribution to organizational profitability, joined Zurich Risk Engineering in 2017.

Before joining Zurich Resilience Solutions he was involved for over 20 years in various roles in logistics, security and supply chain performance from different points of view.

Björn has studied economics and logistics, holds a Master of Science degree in Corporate Security Management and an MBA. He is also a board member of TAPA EMEA and member of ASIS of the Supply Chain & Transportation community. Björn has been CPP (Certified Protection Professional) certified for several years and is in the final stage of getting CSCP (Certified Supply Chain Professional) certified of APICS & ASCM.

Björn's aim is to minimize financial negative impact via risk-based loss and damage prevention solutions in the total supply chain and as such improve customer satisfaction by delivering all cargo intact on time.

Management Philosophy: In today's competitive world, the best way to ensure organizational success is to delight the customer. If a company does not meet or exceed the customer's needs, their competition will.

Specialized Expertise:

Risk based supply chain security (theft sensitive goods), Development and implementation of new supply chains (incl. emerging markets), Development and implementation of risk based damage & loss reduction and prevention programs. Supply Chain Management and business interruption management

Evgeniy Sukachev**Black Sea Law Company (Maritime Law & Arbitration) - Senior Partner**

Email: e.sukachev@blacksealawcompany.com

Mobile phone: +38 (050) 390 24 24

<https://www.blacksealawcompany.com/>

Evgeniy Sukachev graduated from the faculty of law of Odessa National Maritime Academy (LLB), the faculty of administrative law of Odessa National Law Academy – High School of Judgment (LLM), the faculty of history of Mechnikov I.I. Odessa National University (Underwater Archaeology, PhD reseacher) and was the first Ukrainian participant of the Maritime Law Short Course of Southampton University (the course program 2019). Mr Sukachev is the Senior Partner at Black Sea Law Company and head of the company's shipping practice department, practicing in maritime law, particularly related to ship arrest and release, maritime arbitration, insurance, and assisting Ukrainian and international clients such as shipowners, P&I Clubs, ship-repair factories and shipyards, insurance companies, banks and other parties of maritime business. He has extensive litigation experience before Ukrainian courts in ship arrest and releases cases.

Mr Sukachev had worked in the Commercial Court of Appeal of the Odessa region for about seven years, while also acting as head of the Trade Union of the Commercial Court of Appeal of the Odessa region.

Mr Sukachev is the attorney-at-law and a board member of the Ukrainian Maritime Bar Association (UMBA) and represents Ukraine on the Comité Maritime International (CMI) on behalf of the UMBA. He is also a board member of the Odessa regional branch of the Ukrainian Bar Association, and a member of the International Bar Association and Odessa Bar Association. Mr Sukachev has been a delegate for the UMBA at the CMI annual meetings, seminars and conferences since 2014.
