Clause 30 Expenses in connection with strikes, riots etc.

Without any further alteration of the General Conditions for Insurance of Goods the insurance is extended also to cover the Assured's expenses incurred owing to strike, lockout or other labour market conflicts and also riots and other similar disturbances.

Expenses referred to above stand for

- the Assured's additional expenses incurred for taking possession of the goods at another port of discharge or place of destination than the one named in the insurance policy, and also
- the Assured's additional freight costs incurred for transhipment from the port referred to above to the place of destination named in the insurance policy.

Prerequisites for indemnity are

- that the port of discharge/place of destination has been changed in accordance with the provisions of the contract of carriage,
- that the cause for change of port of discharge/place of destination is solely strikes, riots etc. as above at the port of discharge/place of destination named in the contract of carriage, and also
- that the taking possession/transhipment of the goods has commenced not later than 15 days from the day the events above ceased.

Expenses occurred as above are indemnified irrespective of whether or not the goods have been damaged. The same applies if the goods have been lost upon arrival at the place of destination named in the contract of carriage

The indemnity is limited to maximum 20% of the amount insured of the goods.

Calculating the indemnity a deductible of% of the indemnity shall apply.
